

CORE BELIEFS

The Hill Consulting Group believes the following are the essentials of the faith. (1) The inspiration and inerrancy of the Bible as the Word of God. (2) The existence of only one true God as three coequal and coeternal persons (namely, the Trinity). (3) The deity and substitutionary atonement of Christ, which includes the concept of salvation by faith in Christ apart from baptism or any human works. (4) The bodily resurrection of Christ, and his physical return to earth, and (5) The local church is the earthly expression of Christ.

CORE VALUES

We Value Scripture

We believe that God's inerrant word is our final authority for faith and practice (2 Tim. 3:16). This means that our services should be deeply theological. Therefore, we use the Scriptures as the guide for our consulting, writing, and speaking ministries.

We Value the Local Church

Churches and local ministries are both signs and agents of God's Kingdom. The goal of HCG is to see God glorified in a transformed city, where both storefront and cathedral, megachurch and microchurch, small outreach and large non-profit ministries, embody God's Kingdom purposes. We are also committed to those leaders who believe in and seek the renewal of many historic churches and structures, some centuries old.

We Value Team Ministry

We believe that teamwork and ministry teams are the preferred approach to ministry. We are committed to the success of one another and place a higher value on team accomplishments than on individual accomplishments. "Two are better off than one because together they can work more effectively." (Ecclesiastes 4:9 GNB)

We Value Cultural Relevancy

We believe that in most matters, other than theological non-negotiables, the church should allow itself to be molded by contemporary culture in order to maintain relevance and maximize its potential to reach the lost within its cultural setting. Our post-Christian American culture is a harvest field that requires both contemporary strategies and creative planning.

We Value Church Planting

We value the practice of church planting as essential to the effective expansion of the kingdom of God. And aggressively promote it as a goal for all healthy churches.

We Value Integrity and Servanthood

We recognize servant leadership, integrity and a godly character as the standard for all leadership and Christian organizations. Our most important objective as a company is to consistently meet or exceed the needs and expectations of our clients. Based on the example of Christ, we adopt a servant attitude and approach to meeting our client's needs. To accomplish this, we will listen carefully, respond quickly, pray diligently and strive to deliver the best products and services possible.

We Value Leadership

We believe that leadership is the key to healthy churches (2 Tim. 2:2). Therefore, we serve primarily with those who function as leaders at a staff and lay level.

We Value Creativity and Innovation

Our heavenly Father is a God of creativity. Innovation is the best way to discover new frontiers and to pursue new ideas. Therefore, we challenge churches to be creative and innovative as we model the same in our company.

We Value Excellence

Christians ultimately serve God, not men and God deserves our best. Therefore, we seek to honor him by maintaining a high standard of excellence in our image, products and services for Him and our clients.
